## Jewish dominance: from the USSR to today's Russian Federation

April 22, 2021 Anno Domini

The Bolshevik Revolution was Jewish, 6/8 Soviet leaders from Lenin to Gorbachev were Jewish AND all three Presidents since the (fake) fall of the Soviet Union are Jewish.

(Note: the only two non-Jewish communist leaders were only in charge for less than a year and the other, just over a year)

Starting with the Bolshevik revolution:

### Early associates of Karl "Marx" Levy

Moses Hess

Eduardo Bernstein

Ferdinand Lassalle

"We know that Moses Hess, the chief theoretician of the movement, converted Engels to communism, and Zlocisti, Hess' biographer, claims that Hess was not without influence on Marx too."

**The Jews, on the other hand, from the beginning of their history and throughout the storms of their exile, have clung fast to their mission, namely, to bring about the sanctification, not only of individual life, but also of the social life of Man, to further its development and to prepare humanity for the Messianic time which will be an age of perfected development and holiness.**

**"CONQUER WHOLE WORLD."  
JEWISH BOLSHEVIK BOASTS.**

WARSAW (received yesterday). The Polish Press reproduces a document found on the commander of a Bolshevik battalion, Sunder, who was killed in action. This document, written in Yiddish, throws a light on the clandestine Jew organisation in Russia. The document is as follows:—

"Secret.—To the Presidents of the section of the International Jewish Alliance! The hour of our complete triumph approaches. We are on the eve of the conquest of the whole world. Our ancient dreams are being realised. Although until quite recently we were powerless, we are now able to triumph. We have won power in Russia. Our first plans have succeeded, but we must not forget that the Russians, although actually in our power, will never cease to be our mortal enemies."

Fr Denis Fahey – ‘The Rulers of Russia’.

“In addition to the information about the Jewish Banking Houses which financed the Russian Revolution, the document also gives the long list of Jews who took over the direction of the Russian people in 1917. Lenin is given as a Russian, but all the other twenty-four given on the list Trotsky, Zinovieff, Kameneff, Parvus, etc.—are stated to be Jews.

To add onto that report providing more context:

A journalist in the Los Angeles B'nai B'rith Messenger, March 3, 1950, column 2, page 5 wrote:

"Former Soviet general says Joseph Stalin is of Jewish origin." Many White Russians who fled the Bolsheviks say Stalin was a Jew. One of them, a captain in the tsarist army, claimed that he knew Stalin as a child and that Stalin's father (Dzhugashvili) was a "Jewish shoemaker".

Jews managed the Holodomor under Stalin –

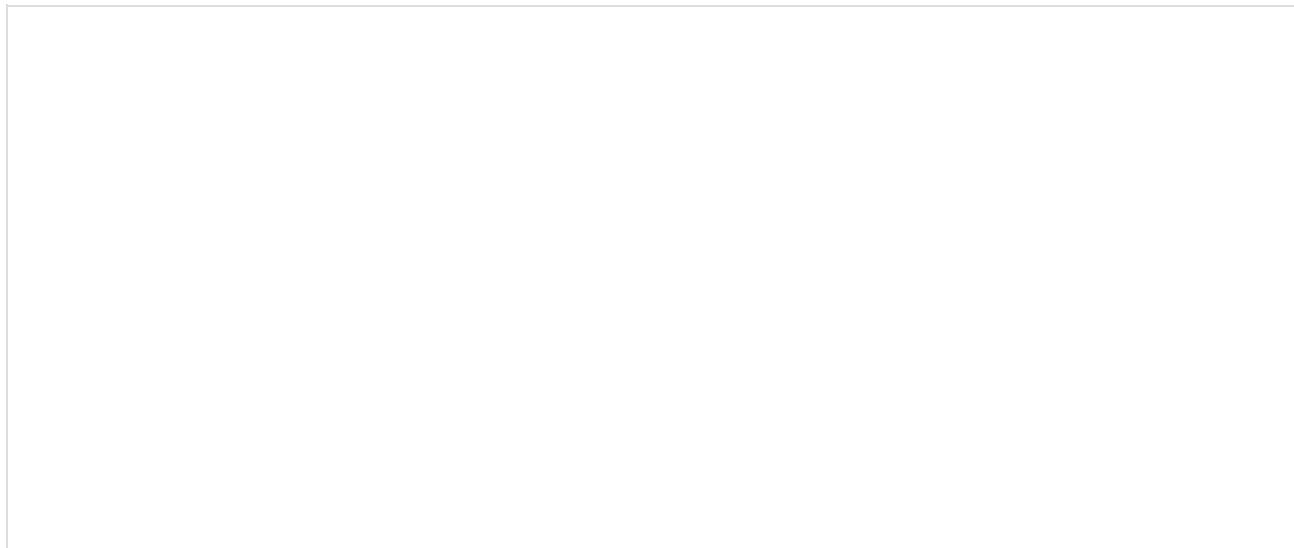

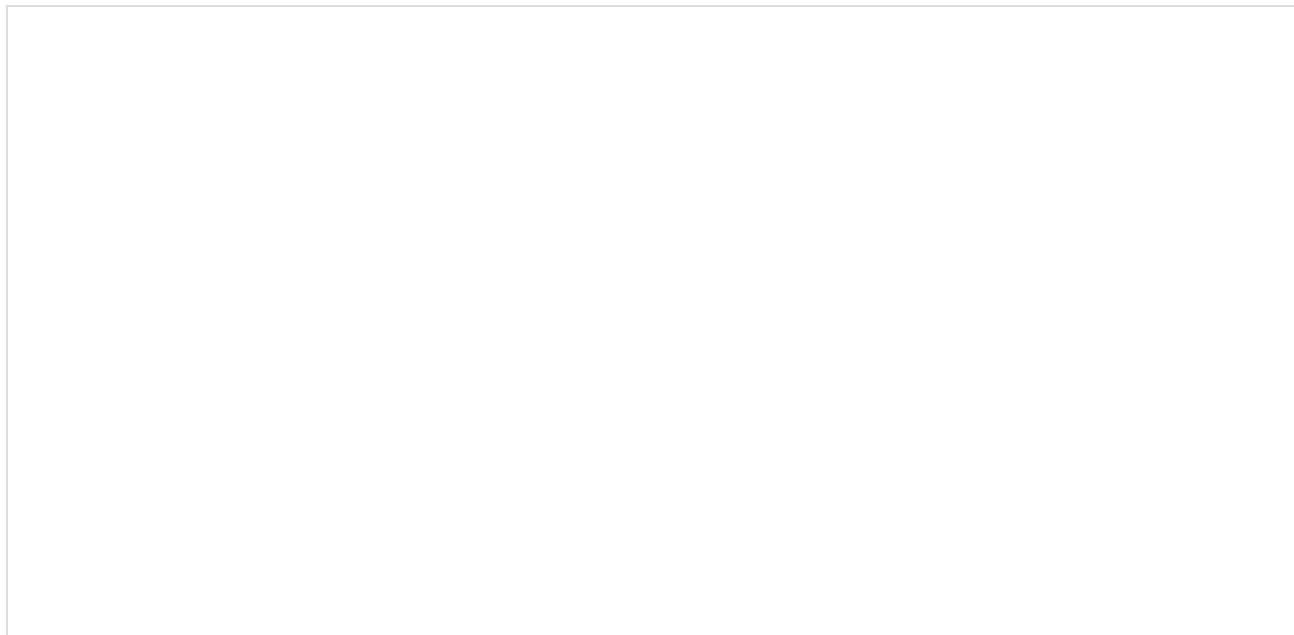

Jews also created and ran the Gulags under Stalin –

It is important to note, “anti-semitism” under Stalin was all theatre created by Jews to deflect from their power in Russia. Same old Jewish tricks. Here are a few reports proving this –

If Stalin was this “known anti-semite” who “persecuted the Jews” as mainstream tells us to believe, why would the leader of the Jewish community (Samuel Chobrusky) in Moscow call Stalin a “wise leader”?

Some more reports about the Jewish leader Samuel Chobrusky and Stalin:

**The next Soviet leader that followed Stalin was Georgy Malenkov, he may have been a crypto-Jew, but he was removed in under a year:**

"Georgy Malenkov married his daughter Volya to (Jew) Vladimir Shamberg, the son of an old friend and colleague. When the persecution of the Jews began, Malenkov made sure that his daughter's marriage with young Shamberg was terminated with lightning speed.

Vladimir told how he returned home, and the maid handed him an envelope with a note from Volya. The wife said that they should part. He tried to find her and talk, but she did not want to. In complete confusion, he went to his parents. On January 12, 1949, the head of Malenkov's personal security took him to court, filed for a divorce, took his passport and issued a new one – without traces of marriage registration with Malenkov's daughter. Love and friendship are nothing when it comes to a career and the location of the leader."

<http://archive.hadashot.kiev.ua/content/vy-nam-rusachkov-rusachkov-davayte>

1. The surname of the mother of Georgy Malenkov was Ulyanov. Therefore, there were rumours in Moscow that Georgy Maksimilianovich was either a nephew or the "adopted son" of V. I. Lenin.

<https://crime.fakty.ua/88056-kogda-sovet-skij-soyuz-zahlest-nula-volna-antisemitizma-georgij-malenkov-nastoyal-na-tom-chto-by-egodoch-po-imeni-volya-razvelas-s-muzhem-evreem>

To add onto that:

"His mother, Zinaida Efimova, was the first pioneer in Moscow. When the threat of arrest loomed during the repressions, **Georgy Malenkov** personally warned her and advised her to "disappear". She met Vladimir's father, a Polish Jew Abram Dolinsky, during the war. Tatiana Ustinova's guest recalls why it was more interesting for a boy from a good Jewish family."

[https://www.tvc.ru/channel/brand/id/2324/show/news/news\\_id/1104](https://www.tvc.ru/channel/brand/id/2324/show/news/news_id/1104)

**As touched on before, Georgy Malenkov was replaced in under a year by the Jew Nikita Khrushchev:**

"But the real surprise was the ten-volume ENCYCLOPEDIA OF SPAIN, which I found in the department of foreign literature of the Rostov Regional Public Library! I am holding the 5th volume in my hands. On page 4801 I find an article dedicated to Khrushchev: 16 lines.

All the life and activities of the formerly first person of our state in them. Not much! But the most delightful were the last two: "His real name is Nikita Salomon Perlmutter" (Nikita Salomon Perlmutter). A reputable publication will hardly manage to stoop to a hoax."

<https://newsland.com/community/politic/content/khrushchev-khriashchhev-ili-perlmutter/5156746>

Perlmutter is a German and Ashkenazi Jewish surname.

<https://en.wikipedia.org/wiki/Perlmutter>

Salvador Borrego [Mexican journalist] records Perlmutter as well – 1960

<https://books.google.ca/books?id=mSoyAQAAIAAJ&q=Nikita+Perlmutter&dq=Nikita+Perlmutter&hl=en&sa=X&ved=2ahUKEwit27mSz6vtAhW8FVkJDpgQ6AEwAnECA>

Khrushchev, also, promptly added that the Soviet Government is based on Jewish leadership –

"If Jews today occupied everywhere the first positions in our Republic," said Stalin's successor, "they would most probably not be very popular with the native Russian population. If, for instance, we appointed a Jew to a high administrative position in the Ukraine and he proceeded to surround himself with Jewish personnel, this would certainly arouse the jealousy and animosity of the local population towards the Jews. **But we are not 'anti-Semites'.** If you look at Mr. Kaganovich you can see he is a Jew. And Mr. Mihnev is also a Jew. And dear Lydia Faktor, our interpreter, is Jewish as well. **I, myself, have a half-Jewish grandchild. We all fight against 'anti-Semitism'.**" (Süddeutsche Zeitung, July 5th, 1957.) <https://educate-yourself.org/cn/worldconquerorchapter17.shtml>

Kruschev's words here are confirmed by Soviet politician Yekaterina Furtsova stating Jews constituted over 50 percent of the staff of various governmental departments even though they were 1.25-1.75% of the Soviet population

<https://books.google.ca/books?id=cS9Fbl-rLUYC&pg=PA18792&dq=the+government+had+found+in+some+of+its+departments+a+heavy+concentration+of+Jewish+people+upwards>

Krushchev and (Jew) Nelson Rockefeller

Alexei Kosygin, First Deputy Chairman of the Council of Ministers under Krushchev was surrounded by Jews

Krushchev's successor, Leonid Brezhnev, was also Jewish:

William Mandel, journalist, best known as a Soviet affairs analyst – His book Soviet But Not Russian pg 340

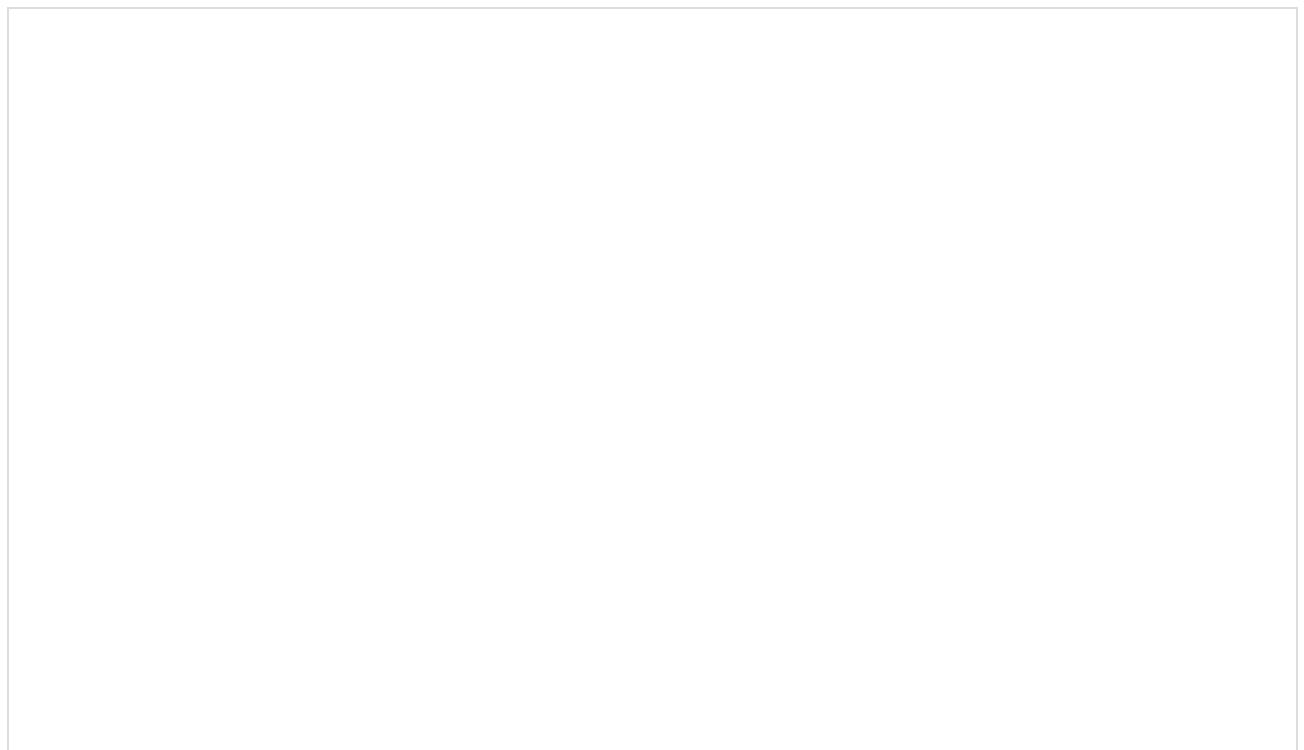

It's interesting to note that Brezhnev "owes his life to a Jew" for saving his life.

The Canadian Jewish news, January 22, 1965, page 6

Brezhnev's successor, Yuri Andropov was also Jewish:

"(Jew) Yaakov Kedmi, who headed Nativ—an Israeli intelligence organization that maintained secret contact with Jews living in the Eastern Bloc during the Cold War and encouraged immigration to Israel...In 1992, upon the Soviet empire's downfall, Nativ launched a secret operation to obtain access to contacts in the former Soviet Union, getting hold of tens of thousands of documents from nations that were once behind the Iron Curtain..."

We were able to learn just how well the KGB knew Israel and what was happening there, as well as the importance the organization ascribed to the Zionist movement and world Jewry," says Kedmi. "The agency saw them as a key enemy, if not the main enemy. The harsh anti-Jewish approach was shaped by Andropov more than anyone. The first reason for this approach was personal: Andropov was not one-quarter Jewish, one-third Jewish or half Jewish. HE WAS JEWISH, PERIOD. I heard it from senior KGB people."

<https://www.ynetnews.com/articles/0,7340,L-4886594,00.html>

If you are unfamiliar with why some Jews, specifically the Russian leadership appear to be anti-semitic, there are a few main reasons:

This 'persecution of Jews' by Andropov, was to hide the fact that communism was run by Jews – even to the Soviet communist themselves and to add to the 'persecuted Jew narrative generally'. But it also served as a way to induce many Jews to leave for Israel, when the planned fake collapse would come.

Soviet-Israel: "Israel has over a million Russian-speaking citizens, ***most of whom immigrated after the collapse of the Soviet empire.***"

[http://news.bbc.co.uk/hi/russian/news/newsid\\_2288000/2288977.stm](http://news.bbc.co.uk/hi/russian/news/newsid_2288000/2288977.stm)

To pivot off of this, when you examine Putin's "battle" vs. a couple Jewish oligarchs which some Putin-lovers will cite, it is a textbook tactic, used by Soviets all throughout their history to deflect from Jewish control of Russia –

Fr Fahey : "As the West became increasingly aware Communism was a Jewish power movement related to Zionism, ***the Kremlin would have to appear to persecute Jews.***"

[http://traditionalcatholic.net/Tradition/Information/Conversion\\_of\\_Jewish\\_Nation/Chapter-VIII.html](http://traditionalcatholic.net/Tradition/Information/Conversion_of_Jewish_Nation/Chapter-VIII.html)

Also Israel serves as a Kremlin decoy to hide soviet offensive strategy.

**Now moving to the presidents of Russia, after the "collapse of the Soviet Union". The First president was Boris Yeltsin who was more than likely Jewish, the evidence is incredibly strong:**

The most frequent theme in the letters is a discussion of the "Soviet Paradise." Communist agitators spread this idea for years to the masses of Europe. Moscow claimed it was "a hell for exploiters and a paradise for workers." The words of German soldiers are a blow to the face of the Bolshevik world deceivers.

True, the situation is now changing: Jews have begun to return to Russia."...The former Soviet leader and chief rabbi of Russia also discussed the main ways of cooperation between the Gorbachev Foundation and the Federation of Jewish Communities of Russia."

Mao praised in China:

A 37m-high (120ft) gold-painted statue of Chairman Mao has been built in China's countryside.

The giant homage to the late communist leader was paid for by local businessmen, who spent nearly 3 million yuan.

<https://twitter.com/badastrid/status/1388425990792155140>

October 1 1949, Mao Tse Tsung declared the founding of the People's Republic of China in Tiananmen Square, Beijing. He was funded by Rothschild created Communism in Russia and also the following Rothschild agents: Solomon Adler, a former United States Treasury official who was a Soviet Spy; Israel Epstein, the son of a Jewish Bolshevik imprisoned by the Tsar in Russia for trying to ferment a revolution there; and Frank Coe, a leading official of the Rothschild owned IMF. Jews were behind the rise to power of Mao Tse Tung, the communist dictator of China, who tortured and murdered tens of millions of Chinese (mostly Christians) during his brutal reign. Sidney Shapiro, an American Jew, was in charge of China's propaganda organ. Another Jew, Israel Epstein, was Mao's Minister of Appropriations (Finance).

'Whatever the price of the Chinese Revolution, it has obviously succeeded not only in producing more efficient and dedicated administration, but also in fostering high morale and community of purpose. The social experiment in China under Chairman Mao's leadership is one of the most important and successful in human history'.— David Rockefeller.

Build Back Better Japan WW2.....

President Roosevelt did, however, have a secret reason for belligerence towards Japan. He had been placed in power by the International Bankers, and his masters wanted a war with Japan which had signed a mutual defense pact with Germany and Italy in 1936. A war would automatically draw the United States into full participation in the European 'theater of war'. It would also mean that Japan would be 'taken care of' so that the Crown could continue to rule in Asia.

Rear Admiral Theobold tells us: "Diplomatically, President Roosevelt's strategy of forcing Japan to war by unremitting and ever-increasing diplomatic-economic pressure, and by simultaneously holding our Fleet in Hawaii as an invitation to a surprise attack, was a complete success."

In March, 1945, the Japanese unconditionally surrendered. Yes, March 1945! In that month the Japanese High Command sent communications to the American Embassy in Moscow, to the Russian Embassy in Tokyo and directly to the Pentagon in Washington on stating that the Japanese Imperial Government wanted to unconditionally surrender. The Americans ignored the offer. The answer to that question is as simple as it is repugnant to most Americans. The Japanese home islands hadn't been destroyed. The big show was yet to come: the B-29's were being lined up on Okinawa and other islands in preparation for the International Bankers 'urban renewal' project on Japan. Those old archaic cities had to be leveled. Those old factories, railroads, port facilities, communication networks and the national way of life had to be bulldozed into oblivion by the specially designed demolition equipment purchased by the American taxpayer. The late Professor Carroll Quigley tells us in Tragedy and Hope that the big planes "engaged in the systematic destruction of all Japanese cities. The flimsy houses of these crowded urban areas made them very vulnerable to incendiary bombs.

Japan was wiped out, devastated by the fury and intensity of America's aerial bombardment. Why? Simple! The ground had to be cleared for new industries and other types of development. As Edwin Stanton, Lincoln's Secretary of War, once stated: "Wars are not fought to defeat a nation BUT TO CREATE A CONDITION."

It came from the International Bankers. They put up the money. They own the show.

Continued these links to here from Hoaxid-19.....Seems this Anatoly Chubais has been promoted to point man by Putin.

He directly called Chubais a national traitor. And he declared that Russia was occupied by Jews, and this is the basis of criminal groups. As a result, the Prosecutor General's Office of the Public Chamber of the Russian Federation sent a request to verify Kvachkov's statements, since in his words there were clearly manifestations of extremism, and at the same time to review the case of the attempt.

<https://stuklopechat.com/novosti-i-obschestvo/73658-kvachkov-vladimir-biografiya-i-interesnye-fakty.html>

Above link now dead you can see why!

Anatoly Chubais was one of the main ideologists of privatization in the 1990s, as a result of which a considerable part of Russian enterprises have moved from public to private ownership; he also spoke in support of the mortgaging auctions, which led to the emergence in Russia of billionaire oligarchs. For the last 28 years, the official head of the State Committee for state property management, held the posts of Deputy Prime Minister and first Deputy Prime Minister, led the Ministry of Finance and the presidential Administration, was Chairman of the Board of RAO "UES of Russia", and in 2008 became CEO of the state "Russian Corporation of nanotechnologies", which was later transformed into the "RUSNANO".

<https://www.themoscowtimes.com/2020/12/03/chubais-a72220>

Anatoly Chubais has been named President Vladimir Putin's new point man on sustainable development and coordination with international organizations after stepping down as Rusnano CEO last week.

"Anatoly Borisovich Chubais will be appointed as special representative to the President of the Russian Federation for relations with international organizations to achieve sustainable development goals," said the Kremlin decree published Friday evening.

<https://www.themoscowtimes.com/2020/12/07/putin-creates-new-position-for-chubais-a72254>

"Chubais is not a normal figure. About Chubais cannot be judged by its open positioning in political and socio-economic life. This is a secret world conspiracy, which finds him as their man in Russia", said Kvachkov in interview to the program "Honest Frank".

In the opinion of the officer, the backstage ruled by both Russia and the United States and other Western countries.

Anatoly Chubais was one of the main ideologists of privatization in the 1990s, as a result of which a considerable part of Russian enterprises have moved from public to private ownership; he also spoke in support of the mortgaging auctions, which led to the emergence in Russia of billionaire oligarchs. Kvachkov is very controversial figure in Russia. Russian nationalists do not trust him. We think he is yet another circus performer for FSB (Федеральная служба безопасности). Knowing the procedure for promoting officers in the Soviet and Russian armies, he is a good candidate for playing an integral part in some well set deception, carried by FSB (Федеральная служба безопасности). So be very careful when listening to a Russian military officer (colonel) who is a follower of Stalin and plays a dissident. What is very suspicious with his personality is the fact that he went to a prison (allegedly for trying to kill Chubais) and went out in perfect health. Two things are very fishy here – if a colonel with his experience cannot organize the assassination of Chubais, how he became a colonel in the Russian army; and how come he was not killed in prison (many real nationalists were killed there for even publishing a book or a paper criticizing Jews). Also Kvachkov has got a huge popularity in the media in Russia. Note that all media there is fully controlled by FSB. He constantly plays some imperialist saying how he could attack Turkey with nuclear weapons and how Antalia will become a Russian resort. He behaves like a clown. He never addresses the Jewish Question in any extend. He never connects Chubais to Putin based on their Jewish origin (Putin's mother's name is Shalomova). He never goes into details back to the 90s, when Chubais and Putin used to work together in Saint Petersburg. For instance, Putin was the leader of the most powerful criminal syndicate there – cooperative "Ozero".

<https://en.wikipedia.org/wiki/Ozero>

As a deputy mayor of the city in 90s, Putin was the one protecting the gambling business there (fully owned by Jews). Chubais was appointed (then promoted as a minister) to transfer most of the public property into the hands of Jewish businesses. But Kvachkov never goes into such details – he likes to shout slogans, to tell Russians they have nuclear weapons so they can blackmail whoever they want (he never tells Russians that those weapons are in the hands of the Jews in the government, military, and FSB). He never speaks about how Putin and Patrushev used to blow up residential buildings in Russia to create a narrative for war in Caucasus, just to cover the greatest transfer of property in the Russian history (Chubais was the "manager" of that property transfer). So don't follow Kvachkov. H

is like Trump – he says what most of the people want to hear, he is a good performer and can catch the attention, but he is a part of the system that destroys the white people.

DURING THE GREATEST REPRESSIONS UNDER STALIN (1936-38) WE SEE ALMOST THE ENTIRE LEADERSHIP WERE JEWS.

Data taken from the book "Jews in Russia and in the USSR" by Andrey Dikiy pages 260–272, 481–484:

The CENTRAL COMMITTEE of the CPSU (b) – Jews – 61, Non-Jews – 17, Not clear. – 7.

BOARD OF PEOPLE'S COMMISSIONS: Jews – 115, Non-Jews – 18, Not clear. – 3.

COMMISSIONS FOR FOREIGN AFFAIRS AND FOREIGN TRADE: Jews – 106, Non-Jews – 17, Unknown – 8.

ALL-RUSSIAN CENTRAL EXECUTIVE COMMITTEE (VTSIK) : Jews – 17, Non-Jews – 3, Not clear. – 2.

COMMISSION OF INTERNAL AFFAIRS (OGPU-NKVD) : Jews – 53, Non-Jews – 6, Not clear. – eight.

POLITICAL MANAGEMENT R.K.K.A . Jews – 20, Non-Jews – 1, Unclear – one.

CULT. CLEARANCE. AND THE UNION OF THE WARRIOR BEHALES : Jews – 40, Non-Jews – 0, Not clear. – one.

PRINT : Newspaper editors: Jews – 12, Non-Jews – 0, Not clear. – 0.

In the USSR GOVERNMENT 9 people's commissars and 12 their deputies were Jews.

Out of 8 diplomats in the "LEAGUE OF NATIONS" – there were 7 Jews and 1 Georgian, Russians – 0.

Plenipotentiaries in foreign countries also predominantly consisted of Jews. The OGPU (NKVD ) and all other executive and punitive bodies, including the main administration of the camps (GULAG) , were also under the complete control of the Jews.

Collective appeal of Georgian Jewish believers to the Central Committee of the CPSU and the Council of Ministers of the USSR.

04/01/1953

"Sovietization brought special happiness and joyful life to the Georgian Jews, since in tsarist Russia the most backward, both economically and politically and culturally, were Georgian Jews. Our illiteracy reached 95%, we were oppressed by the tsarist government, the Black Hundreds, even petty tsarist officials, we had no specialty, etc.

The October sun brightened and made our life happier than anyone else.

It is with a feeling of deep gratitude that we, Georgian Jews, note the outstanding role of Comrade L.P. BERIA (Crypto-Jew & Head of NKVD under Stalin 1938-45 & organised the Katyn massacre) in creating especially favorable conditions for Georgian Jewry as a national minority. At THE DIRECTION OF GREAT STALIN, he organized a committee to help the Jewish poor, created special privileges to draw the Jewish poor into labor. This organization opened factories, factories, enterprises, involved all the Jewish poor in labor activities, eliminated illiteracy among Jews, created the most favorable conditions for Jewish youth in obtaining secondary and higher education. All students in secondary and higher schools, in addition to the state scholarship, received an allowance from the Eucomed (Committee for Aid to the Jewish Poor)"

Los Angeles Times 1998 –

"At least half of the powerful "oligarchs" who control a significant percentage of the economy are Jewish. The reviled architect of Yeltsin's failed reform policies, Anatoly B. Chubais, is rumored to be Jewish, along with Prime Minister Yevgeny M. Primakov, ousted Deputy Prime Minister Boris Y. Nemtsov, and Yeltsin's wife, Naina."

"As a keepsake, Vladimir Putin was presented with a Hanukkah lamp – a menorah. In giving thanks, the Russian president promised that 'the light and goodness that the Hanukkah menorah will emit, WILL ALSO ILLUMINATE THE KREMLIN' and he himself took part in the solemn lighting of the menorah."

"When Rabbi Berl Lazar was recently invited on a historic visit to the Siberian city of Tomsk, the planners left a window open for his meeting with the district governor. "The mayor supports the Jewish community, but we have quite a few problems with the governor. Therefore, it was important for me to meet with him as well," the rabbi later explained. But the day before the planned meeting, the governor received a message: Urgent meetings were scheduled for him in Moscow – so thank you, but maybe another time. A few days later, when Rabbi Lazar himself returned to the Russian capital, a sudden phone call arrived: "Is the rabbi available in the next few hours? The governor is in Moscow and would be very happy to meet with him." Rabbi Lazar smiles as he sums up the story: "Well, you do not think it happened by chance?" We do not. When the governor arrived in Moscow, he apparently met with the higher echelons of the Russian administration, and soon realized that Rabbi Lazar was one of the people CLOSEST TO Vladimir Putin. No one in Russia has the privilege of saying "no" to someone who has been crowned Russia's chief rabbi by the president himself."
